Required Equipment:

Recommended Equipment: walking shoes or boots, water, sun screen, hat, radio

Cautions and Special Preparations:

A neighborhood hike through desert landscape without street crossings. We will pass through five parks along the way. We will move one car to the end of the trail so the hike will be one way only.

Driving Directions: Take Happy Valley west to just after the 303 freeway. After passing the freeway, Happy Valley curves north and becomes Vistancia Blvd. Continue on Vistancia to the Safeway Parking lot on the right. We will park near the Chase Bank.
