Required Equipment: A healthy appetite for food and fun. This event is a potluck therefore everyone is encouraged to bring a side dish or dessert. Some suggestions are on the reservation form. To ensure a variety of side dishes, you will be provided with a link to a "Google Sheet" once your reservation has been received. This list will allow you to view what others are bringing and make changes as appropriate to avoid duplicates and/or too many of one type. If you prefer a beverage other than the club supplied diet colas and water you will need to bring it (Ice will be provided). The Club will provide Deli Sandwiches with condiments. **Reservations are required.**

Recommended Equipment: We will have plenty of table space but chairs may be limited so it is advised that you bring a folding or camp type chair. Be sure to bring items for the **Hiking Gear Flea Market.**

Cautions and Special Preparations: As noted, this is an individual effort but your fellow Kicker will be more than willing to assist you in any over indulgence, if self-restraint is not exercised..

Description: A few early birds will be needed at 11:00am to help set up and a few to stay after to help with the cleanup.

Driving Directions: As last year the almost summer social will be held at Linda and Rolly's home at 39518 N 1st Place, Desert Hills.
