Required Equipment: Comfortable Hiking Boots/Shoes, Sunscreen, Hat, Socks, Adverse weather outer protection, Minimum 3 Qt. Water, Lunch/Snacks, Moleskin, Flashlight, Daypack,

Recommended Equipment: Trekking Poles, Radios set to Channel 6

Cautions and Special Preparations: Weather this time of year at the Canyon is unpredictable so be prepared for low temperatures on the rim and higher temps at the lower elevations. Check the links below periodically for weather conditions and forecasts for the noted locations:

[South Rim - GCNP](#)

[Phantom Ranch - GCNP](#)

[North Rim - GCNP](#)

Due to an aging pipeline, drinking water sources are not always reliable. A method to treat water, should the pipeline break, must always be included as part of your hiking gear. For recommendations and/or additional information regarding water sources please contact the hike coordinator. Please note link to corridor trail map below.

Description:

Activity

This activity starts on Saturday with a day hike from the South to the North Rim via the Bright Angel or the South Kaibab trail on the south side and the north Kaibab Trail on the north side. For access to the South Kaibab trailhead via the free south rim shuttle bus service go to <http://www.nps.gov/grca/planyourvisit/shuttle-buses.htm> and check out the [Hiker Express Shuttle](#) or the [Kaibab \(Orange\) Route](#) (The Orange route schedule is only good through the end of February so you will need to check it periodically for updates to include Memorial Day weekend)

Sunday is a layover day on the North Rim which can be used to relax, sight see or to participate in Mike Nelsons Widforss Trail hike in the morning. In the afternoon, starting at 1:00pm, Linda and I

will host the Tea Party at our Western Cabin, room # TBD. NOTE: The Tea Party attendance is awarded one point. It is a BYOB event and you are asked to bring your favorite party snack. Please keep it simple so that you don't ruin your appetite for dinner. Contact the Activity Coordinator for details.

On Monday, Memorial Day, we will hike from the north rim to the south using the south rim trail of your choice.

Note: This is an individual effort activity. Start times, pace, rest stops, route and side hikes, such as Ribbon Falls, are at your discretion. In order to allow finalization of the total mileage in a timely matter you need to contact the Activity Coordinator on the North Rim or the week after the hike to report which trails you hiked. Mileage will be awarded for all miles hiked.

A map of the corridor trails showing, among other things, water sources and restrooms can be found on page 6 in the following link: [Introduction to Backcountry Hiking](#)
