Email	Rex.stulting@aps.com	

Required Equipment: Fishing Pole & Bait (actually, you can just sit & read a book instead of fishing). Hiking and camping equipment suitable for cool mornings (40s to 50s) and probable thunder storms.

Recommended Equipment: Standard for car camping & day hikes, i.e. tent, sleeping bags, stove, **rain gear**, cooking & eating utensils, food and drink, hiking equipment for day hikes, insect repellent, sturdy hiking boots, sun tan lotion, table and chairs (there are a few tables available), lights for night-time, good book, etc.

Cautions and Special Preparations: Rustic camping, no flush toilets (outhouses are available) or designated camping spots

Description: This is presently planned as a car camp-fishing trip. There may be a couple of short day hikes planned. The entire Cyclone Lake has been rented from the White Mt. Apache tribe for our use. It is set up as a special rent-a-lake which includes exclusive use of the lake for fishing and camping. The tribe will ensure there are sufficient trout in the lake, supply firewood, provide the fishing permits, and ensure our privacy. A copy of the Apache's rules and regulations will be sent to all those who make reservations.

The dates reserved are August 17-20, 2018. We are allowed to enter the area at sunrise on Friday the 17th and must leave by sunset of Monday the 20th. **Advanced reservations are required.** Deadline for reservations will be August 3, 2018. The tribe wants to know how many people will be there and their names and addresses (for permit requirements). Information and money will be required at the time reservations are made. An interest list will be maintained if reservations are full. Information required for reservations are: each adult and child's name, address, APS Station # (if applicable), Phone # and dollar amount sent.

The cost schedule for the trip has been set in such a manner that adults who want to bring young children are not prohibited by cost. The costs are set up to cover all four days and no partial or one day fees will be allowed. The cost schedule is as follows:

Adults & Children 15 & older: \$60.00

Children from 5 to 14: \$35.00

Children under 5: FREE (still need a permit so include their names)

There will be a fairly large water tank which holds potable water, but no flush toilets or other conveniences of improved camp grounds, except tables. This will be fairly primitive camping. No Arizona fishing license is required.

Driving Directions: Directions and maps will be given to those who sign up. Cyclone lake is north of Hawley Lake and just west of the turn off to the Sunrise Ski area.
